# Re: Update to DCR-2331 - Final Change Notification

Original Notification Date: July 21, 2020

1<sup>st</sup> Update: September 2, 2020 2<sup>nd</sup> Update: March 9, 2021 3<sup>rd</sup> Update: August 5, 2021 4<sup>th</sup> Update: November 30, 2021

### Subject:

NewAge Industries AdvantaPure® Tubing and Hose Manufacturing Location Expansion

### **Change Description:**

This letter serves as the **Final Change Notification**, shared previously in the above-mentioned communications. As initially communicated, NewAge Industries has completed the Phase 1 validation of a new manufacturing location (using the same make and model equipment) at 364 Valley Rd., Warrington PA 18976 to manufacture AdvantaSil® and AdvantaFlex® tubing.

The new facility and manufacturing processes have completed a full qualification and validation with IQ/OQ/PQ, tubing tolerances and biological testing. Product performance has been verified to be comparable and meets all product specifications.

#### **Affected Product Part Numbers:**

7.11.00.00 1.10.00.00				
AdvantaSil® Silicone tubing		AdvantaFlex® TPE tubing		
*All catalog sizes are affected by this change		*All catalog sizes are affected by this change		
Catalog Part Number	Description	Catalog Part Number	Description	
			AdvantaFlex Biopharmaceutical	
APST-xxxx-xxxx	Unreinforced Silicone Tubing	APAF-BP-xxxx-xxxx	Grade TPE Tubing	
APSPG-xxxx-xxxx	Silicone Pump Grade Tubing			
APHP-xxxx-xxxx	Braid-Reinforced Silicone Hose			
APSH-DB-xxx	Double-Braided Silicone Hose			
APSW-SP-xxxx	4-Ply, Wire-Reinforced, Mandrel Silicone Hose			
APLT-xxxx-xxxx	Ultra-Low Temperature Silicone Tubing			

## **Change Impact Assessment:**

Phase I

The new 8,400 ft<sup>2</sup> manufacturing facility with ISO 7 & 8 certified cleanroom space has extrusion capacity, assuring redundancy and security of supply, to better serve NewAge Industries AdvantaPure® customers.

AdvantaSil® and AdvantaFlex® tubing made in Southampton (existing manufacturing site) and Valley Rd. (new manufacturing site) will have the same part number and label, and a new lot number will be provided. Refer to the Change Assessment below for additional information:

Traceability of Product  The lot number of products made at the Valley Rd. Warrington site will start with a "VR" indicating the site of manufacture. We are holding product in quarantine for the customers who require approval on the new manufacturing location. ## Implementation Date:

A Validation Summary for the new site is available to customers upon request. Product performance has been verified to be comparable and meets all product specifications.

Therefore, Phase I of this project is considered complete. All AdvantaFlex® catalog parts outlined above will be available for distribution beginning February 4, 2022 and AdvantaSil® Silicone on March 4, 2022.

The validation data for the products affected by this change is currently available for review. Customers are welcome to schedule an audit of the new Valley Rd. manufacturing site using the current NewAge Industries procedures.

Status/ Date	Valley Rd. Extrusion Expansion (Phase I)	
October, 2021	Construction of Phase I of the new manufacturing facility/ equipment	
	installation / Cleanroom Static Qualification	
December, 2021	Extrusion lines are in place for Installation Qualification (IQ), Operational	
	Qualification (OQ) and Performance Qualification (PQ)	
January, 2022	Clean room Operational Qualification / System Performance Qualification	
February, 2022	Three (3) extrusion suites are fully approved / validation completed and	
	executive summary report (including the results of each qualification stage	
	and subsequent product testing) is available	
February, 2022	Customer samples are available / Product Impact Testing	
February 4, 2022	AdvantaFlex® TPE tubing release	
	Customer's Acceptance of Change is required back within 30 days	
March 4, 2022	AdvantaSil® Silicone tubing release	
	Phase I fully approved	

### **Next Steps:**

If you have previously indicated formal acceptance is required for this change, you will be required to sign the attached Acceptance of Change form, and return it within <u>30 days</u>. Please take this opportunity to contact your Customer Service Representative at (215) 526-2151 or email <a href="mailto:compliance@newageindustries.com">compliance@newageindustries.com</a> should you have any questions or concerns.

Thank you for your continued support of NewAge Industries AdvantaPure®.
