Change Notification Letter

Date Issued: September 18, 2020

Change Notification Number: DCR 2313

Subject: AdvantaPure® AdvantaFlex® Biopharmaceutical Grade TPE Mold Shop Expansion - UPDATE

Effective Date: Immediate

Dear Valued Customer,

This letter serves as formal notification of changes that may affect products or services purchased by your organization.

Scope of Notification:

AdvantaFlex Mold Shop Expansion - Update

Description of Update:

Due to the unforeseen increase in demand for AdvantaFlex TPE molded assemblies brought on by the current COVID-19 pandemic, NewAge® Industries AdvantaPure has decided to remain operational and avoid the downtime and potential supply disruption needed to complete the expansion activities. The shutdown of the production area at this time would not support our continued efforts to supply product to our valued customer base. Should we decide to move forward with our mold shop expansion plans in the future, we will notify you accordingly.

Should you have any questions regarding this notice, please contact us at compliance@newageindustries.com. Other change notifications and details about our Change Notification Policy can be found on our website at <http://www.advantapure.com/change-notifications.htm>.

Thank you for your continued support of NewAge Industries AdvantaPure.

A handwritten signature in black ink that reads 'Gregg Donovan'.

Gregg Donovan
AdvantaPure Product Manager
